JM Energy Corporation

President Koji Takahashi

Announcement for our company name change

As we already informed, we became a subsidiary company of Musashi Seimitsu Industry Co., Ltd. on the past April of this 2020. We will also change our company name from “JM Energy Corporation” to “Musashi Energy Solutions Co., Ltd.” on November 1st, 2020, aiming a construction of a new corporative image as a member of the Musashi group and expansion of feature of our business.

We will keep concentrating all our efforts on providing the energy solutions and services with our own electricity storage devices to full fill your expectations, by making higher synergy effect of the Musashi Group.

New company name: Musashi Energy Solutions Co., Ltd.

Old company name: JM Energy Corporation
